

Elm Street School Friend Finder

Please complete the form below and check the appropriate box(es) to let us know how we may use your information. **You MUST return this form to be included in the Friend Finder.**

Why do we ask for Birth Month?

We collect student's birth months for our Birthday Books program.

What is the Friend Finder?

The Friend Finder is an online, comprehensive contact list of all participating students, families, and staff at Elm Street School. It is a directory used by many as a contact for play dates and parent contact interaction. All staff are also included with their contact information.

Online

Send an email with the following information to info@elmstreetpac.org. We will register your family and send you an email with your password. Once you have a password, you can confirm participation.
